Examination Regulations January 21st 2016 for Master's Degree Program in Computational Sciences at Freie Universität Berlin

§ 13 Graduation

- (1) The prerequisites for the conferral of a university degree is that the requisite accomplishments as stated in §§ 7 and 9 of these regulations have been completed.
- (2) The university degree will not be awarded if the student has not completed his or her academic records for the same degree program, for the same subject, or for a module which is comparable or identical to one of the modules studied in the Master's degree program and is still be taken into account for determining the final grade,
or if he or she has failed to pass examinations, or if he or she still has outstanding examinations at another institution of higher education.
- (3) The application for determining the conferral of the university degree shall be accompanied by evidence that the prerequisites as detailed in paragraph 1 exist, and by an assurance that none of the cases in paragraph 2 apply to the applicant. The relevant examining board will make a decision on the application.
- (4) On the basis of the passed examination, the university degree Master of Science (M.Sc.) will be awarded. The student will receive certificates (Appendices 3 and 4), as well as a Diploma supplement (German and English). Furthermore, a supplement to the certificate (Transcript) detailing individual modules and their components will also be issued. Upon application, additional English versions of certificates will be issued.
